

10m Multi-purpose Landing Craft

LC10

10m multi-purpose
Landing craft.

PDL Marine are proud to present the 10m Multi-Purpose Landing craft as part of aluminium LC range from 6m to 16m

A shallow draft Landing craft, this vessel is suitable for a multitude of tasks such as a small ferry, aquaculture maintenance and support, survey work and dive support.

This vessel is designed to provide a small but quick vessel capable of speeds up to and in excess of 30 knots.

Fitted with twin diesel outboards up to 200hp or can be fitted with petrol outboards or internal engines if required. Engines are also available in the 'Partners in Power' scheme

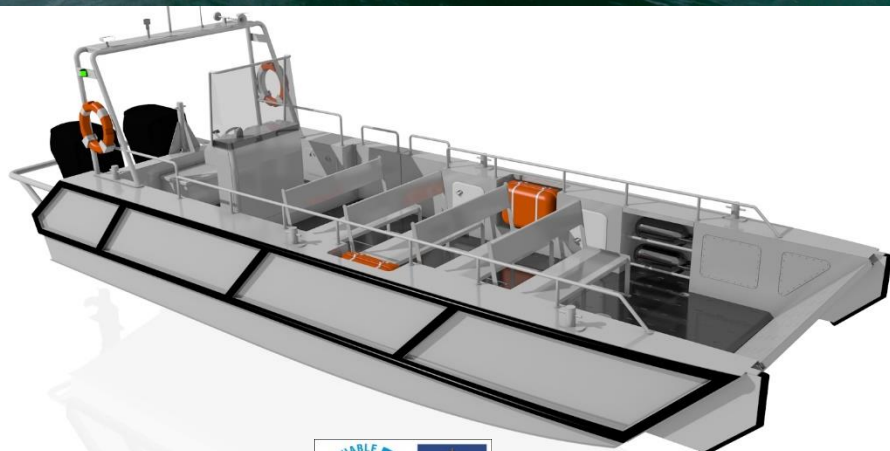

The vessel is built to MCA category 3 standards and can carry up to 12 passengers plus 2 crew or a 1000kg cargo.

Seats are removable and deck space has been well thought out with plenty of storage for liferafts, fenders and other equipment.

The vessel can also be fitted with a small Hiab.

For further information contact a member of the PDL team
