

17m Power-Cat Ferry

PCF 17

17m high speed Power-Cat Ferry.

A 17m Aluminium High-Speed Ferry

Harbour tours – Standard ferry – Sightseeing – Ship to shore transfer

PDL Marine are proud to present the 17m Aluminium high-speed ferry.

Designed to seat 60 passengers as standard with the ability to seat an additional 20 people if required.

Built as a purpose build ferry for inshore waters, MCA category 3 but can be 'upgraded' to be able to operate in a harsher environment if required. The hull form and operational speed gives the maximum running efficiency and passenger comfort.

Cruising speed is 18 knots with the ability to operate up to 26 knots.

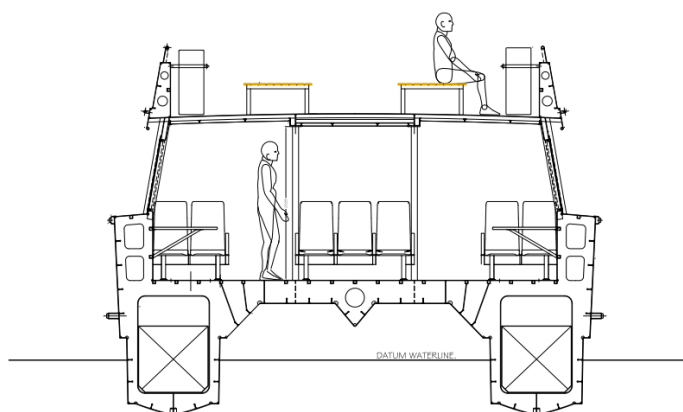

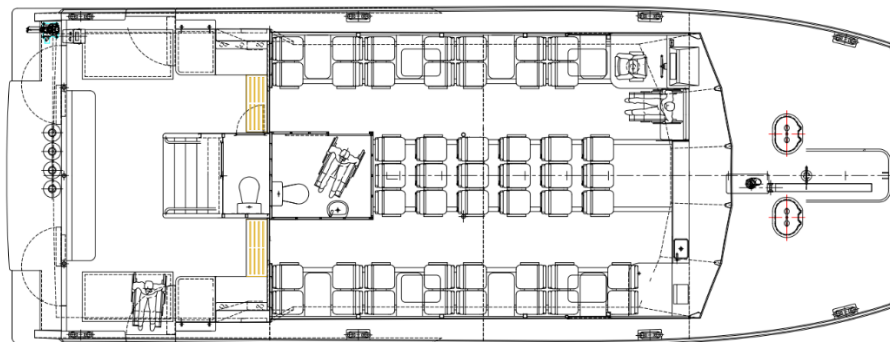

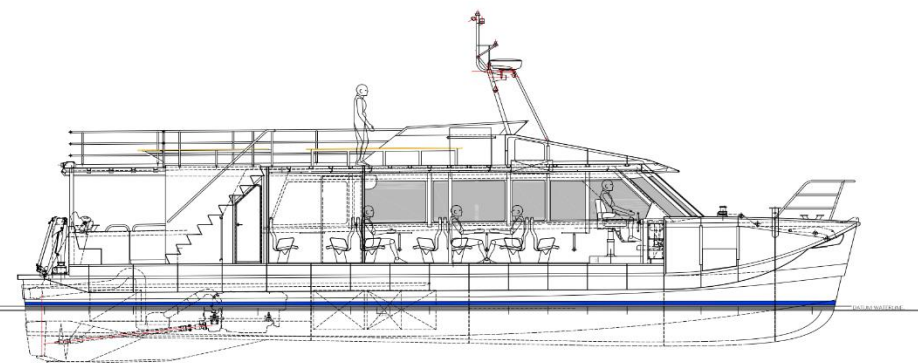

The vessel is also capable of being able to transform in to different guises such as corporate entertainment, conferences

Crew accommodation and Galley available. Vessel design can extend to 21m.

Wheelchair accessible

For further information contact a member of the PDL team.
