COMMERCIAL

24m MAXI

24m Multi-purpose
Landing Craft

LOGISTICS - AQUACULTURE - DIVE SUPPORT - MARINE CIVILS

PDL Marine are proud to present their latest 24m Multi-Purpose Landing craft. Purposely designed to be able to take larger loads with an increased beam. A relatively shallow draft landing craft, this vessel is suitable for a multitude of tasks and fits in well with the likes of logistical support and aquaculture

This vessel has been purposely designed for a long lifespan with a multitude of uses within the marine industry such as Aquaculture, marine civils and ship to shore logistics. Fitted with twin Doosan VI58TIH engines ensures the vessel has plenty of capability to operate under a full load, other engines can be available if required.

The vessel is built to MCA category 2 standards and be built to class if required.

Other equipment includes but not limited to:

Deck winches

Capstans

10T Hydraulic A Frame
