

18m Patrol Vessel

PB18

18m Multi Role Patrol Vessel
Semi-Custom Design

An 18-meter Aluminium Patrol Boat – Style – Speed – Performance

Coast Guard Duties – Patrol – Law Enforcement

The new PB18 – One of the latest custom designs to be added to our portfolio.

An 18-meter welded aluminium patrol boat designed for the coast guard but can be adapted to suit other military and law enforcement agencies as well as general patrol and observational duties.

Ballistic protection is also available.

The vessel sports twin 1000HP Caterpillar C18' diesel coupled with Arneson Surface drives for the ultimate in high speed manoeuvres and stealth. Other drives and engines are available.

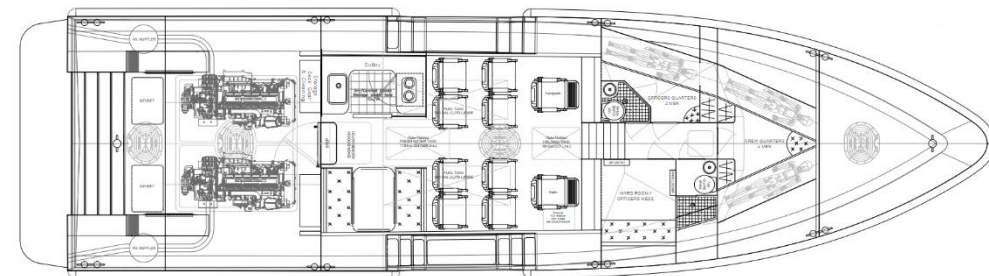

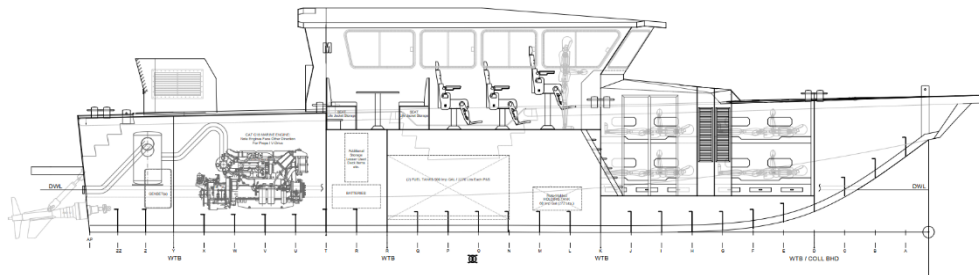

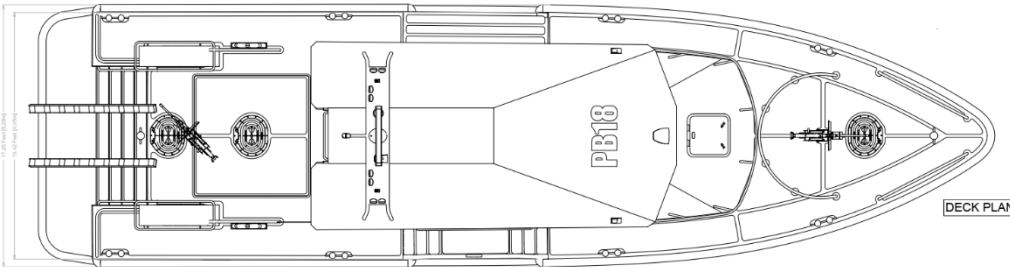

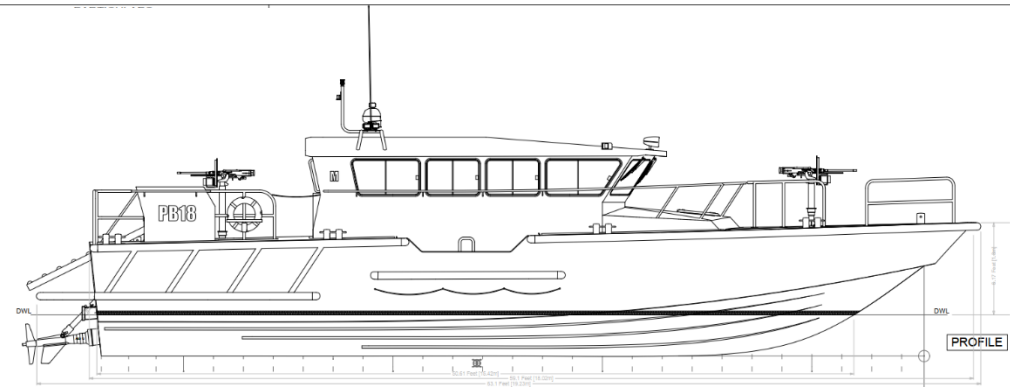

Accommodation is for a crew of six and 6 passengers.

Lloyds structural compliance (Scantlings)
